# **COVID 19 UPDATE**

**We have taken the decision to restrict access to our office by members of the Public with effect from 18/03/2020. From that date our office will work from 'behind closed doors'. Please note apart from not being able to enter our office it will be business as usual. We will be fully operational.**

**This step is taken to help in the battle against the spread of the Covid19 Virus. It is not a decision that we took lightly but we feel it is in the best interest of our staff , their families and you our customers.**

**Thanks for your understanding.**

**Kieran Fitzgerald**
